PROPERTY FEATURES

The wonderful view of fields and meadows, the many quarry stone walls, the pool area with a Tuscan touch of luxury, the spacious garage building with impressive parking space for several vehicles, the remaining development options and, above all, the peace and quiet complement the overall picture and make this property almost perfect for 1-3 families or multi-generational living. The really impressive attic is prepared for further expansion and offers you many design options, tailored specifically to your wishes. The handover is due to take place in summer 2016. It is with a heavy heart that we are giving away this house and we are pleased to be able to offer you this special property exclusively and I am sure you too will fall in love with this house. The very well-maintained condition of this country house is an ideal basis and allows you to move in straight away without any further investments. The key details: electric entrance gate, a solar system that supports hot water, vaulted cellar on the property, cozy fireplace and high-quality outdoor pool with quartz sand filter, gas central heating with good values. The energy certificate can be viewed with us - see for yourself. A very modern, white high-gloss luxury kitchen with cooking island, open to the living and dining area, can be taken over by the owner upon request. Direct access to the large terrace finished with travertine is also ideal, a real highlight and an eye-catcher for your guests. Reward yourself every day with this special feeling of being at home.
