PROPERTY FEATURES

- Building Size: 236 m²

This luxury townhouse, with a T3 + 1 typology, is in the center of Cascais, in the Legacy development. It has a 236.20 sqm interior area, and access to a 64.5 sqm private garden. Located on the Paradise Walk in the Legacy development, the house is highlighted by its ample areas and high ceilings. It comprises a large and bright living room, a dining room with access to the garden and a private pool, a kitchen, and a guest bathroom. On the first floor, there are 2 suites. On the second floor, a superb master suite, with access to a covered terrace facing the pool and private garden, ideal for an office, and an outdoor terrace facing Paradise Walk. The property also has a 96 sqm basement, ideal for a gym or a games room, a storage area, a small cellar, and access to the garage access.

The Legacy real estate development is a closed condominium with 24-hour doorman service, ensuring its full security. The Legacy is in Cascais – a colorful cosmopolitan city with elegant streets, full of luxurious villas and trendy spots. Cascais, a vibrant seaside town, has the best to offer from its bars to top restaurants, a casino, and new shops. World-renowned golf courses and nice weather during winter make from Cascais a mecca for a golf break in the sun, at Penha Longa or Quinta da Marinha. There's plenty to do in Cascais, from horse riding to sailing on the glorious sea or enjoying a sophisticated nightlife. Cascais represents the quintessential of lifestyle and wellness in Portugal.
