- Fully Equipped Kitchens With Gaggenau Appliances
- Outdoor Living and Dining Areas
- Indoor Pool and Spa
- Outdoor Infinity Pool With Amazing Sea Views
- Gym
- Electric Car Charging
- State Of The Art Demotic System

With one of the best locations in the entire town of Estepona and easily the best views you might never want to leave your property but, rather have the party come to you. The good news is that if you can pull yourself away from your ultra luxurious property you only have a few steps to the beach and two popular beach restaurants. Walk a few minutes to the east any you'll find yourself in the charming port of Estepona with all it's great restaurants and nightlife. Continuing along the beach promenade you can even walk to the old town of Estepona and get lost amongst the Spanish charm which oozes from around every corner.

This state of the art development will offer clients nine bespoke units to chose from, one of them being an amazing penthouse duplex with 547m2 of total indoor and outdoor living spaces. Amenities such as indoor heated pool, spa, outdoor infinity pool, gym, and car elevator are all on offer. No expense was spared in the construction of this amazing building.

These beautifully appointed high tech properties are for those clients who want the best. This development can offer you the best views, on arguably Estepona's best beach, a stones throw away from the action.
