PROPERTY FEATURES

Located in the heart of Cap d'Antibes, in the immediate vicinity of the beaches and creeks of La Garoupe, this new prestigious residence is intended for a rare few.

In a neo-classical style, inspired by the buildings of the 1920s and 1930s in Antibes, the architecture of the building blends perfectly into the green landscape and reinforces the harmony of the whole. Designed for daily well-being, this residence is surrounded by a magnificent wooded park of approximately 5,000 m², offering its occupants an enchanting and secure living environment, 24-hour janitor, 20-meter-long heated swimming pool, pool house, luxuriously equipped gym with hammam, 28 basement garages, and visitor parking.

The interiors of the residences will be in contemporary style with all the fittings made to measure.

The quality of the materials used will reflect the standing of the residence: solid parquet floors, natural stone, 120x120 porcelain stoneware, top-of-the-range fittings, armoured entrance doors, double glazing, electric roller shutters, and integrated LED lighting.

Each apartment will be fitted with a complete sound system, interior camera surveillance, and a home automation installation.

We offer 9 apartments from T3 to T5, from 87 to 305 m², with terraces or large private gardens.
