Mano Estates is a secure gated development of 18 Semi-detached units, with each unit sitting on +350m2 of land, with the architecturally designed homes each offering well ventilated and naturally lit, spacious open plan living, 3 bedrooms and 2 bathroom home. The entire estate will have a single access point, which is security controlled, a community clubhouse and water supply catered for by way of boreholes.

Because these units are being sold off-plan, each purchaser can exercise their right to customise their finishes to their individual taste, with flexible payment terms and finance packages on offer for those who qualify, we believe this is an opportunity that will make home ownership accessible to many. Contact our Sales team today, to discuss how you can be well on your way of being a member of the Mano Estates Owners Association.
