- Walking distance to beach

Luxurious 4 bedroom 6 bathroom villa situated in Argaka only 300m from the beach and sea and boasting gorgeous sea and mountain views. This stunning development is located just minutes' drive to all amenities, Polis and Latchi where you find a quaint fishing harbour.

This project is exceptionally built and finished with the highest quality materials and supervision of one of the best Moscow architects.

Entering you will immediately notice the expansive covered area to this villa of 367sqm. Boasting living and dining areas, fully fitted and equipped kitchen, 4 bedrooms, 6 bathrooms and externally private swimming pool complete with Roman steps and mature gardens.

An excellent investment opportunity with new local infrastructure in the area including Paphos-Polis highway, construction of new hotels, private school and spa-

centre.

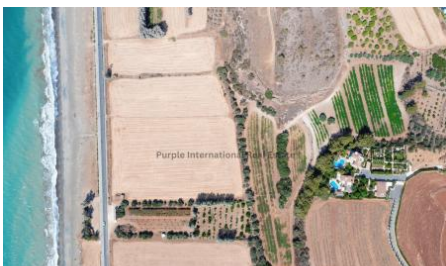

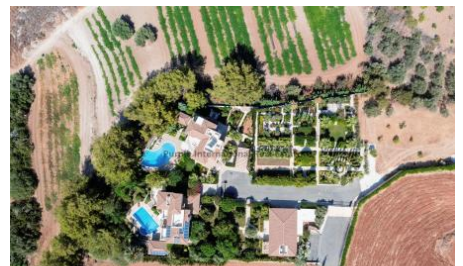

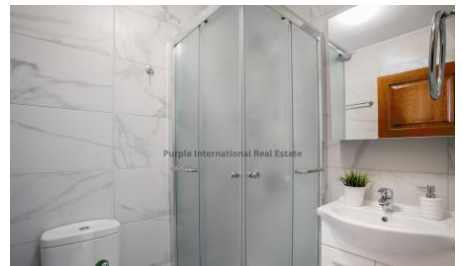

Argaka is a beautiful, tranquil and traditional village within an agricultural area which offers unforgettable moments in a scenery of majestic mountain tops and lush ending slowly into the sea. A charming church and small selection of local tavernas and pubs are within easy reach, and the nearest secluded beaches are just a short drive away. Famous for its magnificent sunsets and hospitality, Argaka is the place to be and is a village which enjoys the breeze of the sea and which is "embraced" by a pine forest. In Argaka there is a large forest expanse which covers the uncultivated pieces of land, as well as several cultivations.
