- Veranda
- Granite countertops
- En suite Bathroom
- Walking distance to beach

This new Golf course resort boasts a unique scenery next to the largest Salt Lake on the island. Engulfing the resort at 6404 metres, this 18-hole Championship Course is set in an exquisitely natural landscape, with an array of feature ponds, olive and carob trees, distinctive of the Mediterranean flora. This resort is home to a world-class golf course, luxury facilities and beautiful residences. From modern, low-rise apartments and luxury townhouses to spacious villas, you can find your new dream golf house at this amazing resort.

The Villas, masterfully set in generous plots, are balanced in both proportion and feature. All the contemporary life-enhancing design elements expected in this class of residences are blended seamlessly with a considered affinity to the landscape in which the villas nestle. Simple lines create pure volumes that sit on manicured Mediterranean gardens, blurring the lines between indoor and outdoor spaces and creating a lifestyle we call 'barefoot luxury'. It's a balancing act of architectural design and functionality where the entire plot is considered, resulting in a space that is optimally utilized, featuring multiple points of interest that flow into and around each other without interruption, including overflow pools, outdoor dining spaces and casual seating circling bespoke firepits.

A secret to harmonious living is a home impeccably conceptualised to balance space and seclusion; open and airy, yet private enough to gift you with those special soothing personal moments you deserve. A lusciously landscaped side entry path with a bespoke water feature welcomes you to the Villa ensuring your privacy. Nothing is left to chance; everything flows in perfect harmony. A spacious living room gives way to an outdoor lounge area, a few steps away from a luxurious overflow pool. This rhythm in design is echoed on the first floor where the principal suite opens up onto its own private capacious terrace to dazzling views of the Green Belt.
