The entrance hall of the villa is equipped with storage cupboards and leads to the open-plan lounge/ dining room with log burner and the newly fully fitted kitchen with breakfast bar, granite work surfaces and Bosch appliances. Patio sliding doors lead to covered and uncovered terraces with the outdoor dining area, built-in BBQ and to the 9x4,5 m heated pool + cover, surrounded by a landscaped, low-maintenance garden that hosts fruit trees and a water feature. The villa comprises of three bedrooms, one of which, the master is en-suite. Patio doors from this bedroom and from a twin bedroom also open to the pool and the lush garden area. A further twin bedroom shares the use of a family bathroom and a guest-WC. The roof terrace offers stunning views of the Monchique mountains and of the surrounding valley.

This villa is perfect as a permanent home or would make an ideal rental property.
