PROPERTY FEATURES

Immaculate and spacious.

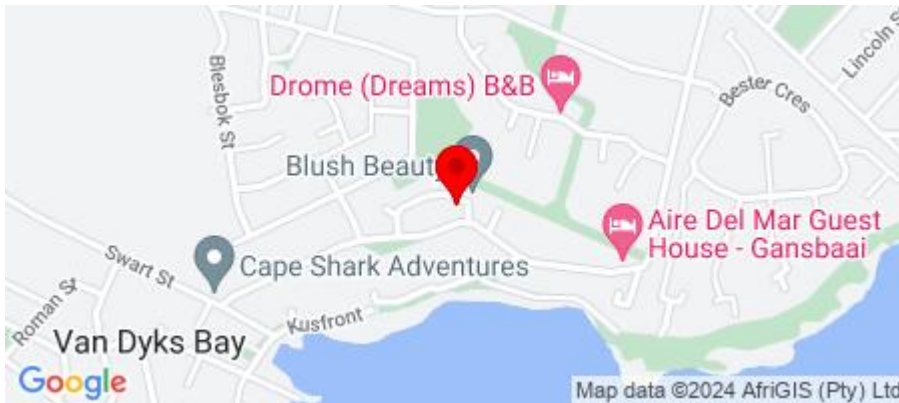

If style and comfort are a precondition, this property offers both. Space will accommodate friends and family, without any discomfort to the owner. The balconies with BBQ's and sea views will provide that relaxation that is needed to renew a tired mind and spirit.

The ground floor offers a well equipped open plan kitchen, separate scullery, lounge with fireplace and bar, which opens to a sheltered patio with BBQ. On the first floor are three spacious bedrooms, all en-suite with access to a balcony. The main bedroom has its own study. A side benefit will be the sleeper wood table and bar that are included in the price.
